NRH Home Care has been ranked in the top 500 agencies overall.

NRH Home Care has been named to the 2011 HomeCare Elite™, a compilation of the top-performing home health agencies in the United States. The HomeCare Elite identifies the top 25 percent of agencies and further highlights the top 100 and top 500 agencies overall. Winners are ranked by an analysis of performance measures in quality outcomes, process measure implementation, and financial performance.
